The Manchester, NH Fire Department will kick-off National Fire Prevention Week on Sunday, October 3rd with New England's largest parade of firefighting and emergency apparatus. Starting time for the parade is noon from the assembly point at Elm and Webster Streets. Lineup for the parade starts at 11 AM.

Immediately following the parade, muster activities will get underway at the Manchester Fire Department Headquarters. Plans call for a good old-fashioned firemen's muster, apparatus show, and a firematic flea market. Tables and chairs, along with exhibition space can be reserved by contacting Capt. Mark Pelletier at the "flea market sector". If you plan on participating in the parade, please call the Fire Prevention Bureau at (603) 669-2256 x3400 or fill out the **Parade Entry Form** below and mail back to us at 100 Merrimack Street, Manchester, NH 03101 by **September 24, 2004**. **Only fire and/or emergency related entries, please.**

Join us in Manchester and enjoy our 22nd annual Muster. Participate or just watch, all are welcome. **All Fire Department muster teams are encouraged to participate in the muster events.**

Looking forward to having you with us on October 3rd.

We will be joining the Manchester Fire Prevention Parade on October 3, 2003
Only fire and/or emergency related entries, please.
